The power of content

Our content strategy focuses on getting the right content in front of the right audience, at the right time, on the right channel. It also responds to emerging visitor trends for authentic experiences and encourages overnight stays.

Our in-house team produces a bank of unique feature content on a quarterly basis picking up on local, national and seasonal themes. This content then runs across all of our channels.

Feature content now accounts for around 30% of all page views and achieves average dwell times of over 1.5 minutes.

To reach new audiences, it's essential for businesses to feature on high quality third party channels. Visit Herts Investor Partners have the opportunity to feature in relevant content, aligning your business with wider destination partners and providing cross sell opportunities.

Each piece of content you feature in across our channels has an approximate

Screen Tourism

With a hub of world-class studios, Hertfordshire is quickly becoming a major destination for the filming industry, attracting both studio and on-location production.

With one in five tourists influenced by what they have seen on screen and the increasing demand for filming created through 'binge watching' trends, Hertfordshire has attracted filming from internationally-acclaimed productions such as Harry Potter to The Crown to set the screen.

Hertfordshire has everything production companies required to cater for their needs. Whether they are looking for studios service, specialist skills, accommodation or unique locations, Hertfordshire has it all.

As a growing screen destination, we have the chance to reach more illusive consumer segments, encourage a younger audience to seek out both heritage and landscape attractions and enticing international visitors to venture off the beaten track.

To ensure Hertfordshire is capitalising on these opportunities, Visit Herts will deliver a range of product development and targeted promotion to not only capture growing screen tourism trend but to also develop the film offer, putting Hertfordshire at the forefront of both visitors and future productions minds.

As a Visit Herts partner, you will benefit from the work we are delivering to weave screen tourism messaging through all our activity this year. By aligning key messages through dedicated screen tourism activity, **Visit Herts can bring together partners from across the industry, not only spreading the benefits wider but also providing our visitors with a wider offering.**
